**Call for Mini Research Proposal**

Research Management Cell, JS Murarka Multiple Campus Lahan (Siraha) announces the call for the proposals for the mini research activities from the interested faculties and students (Bachelor and Master Degrees) of this Institution based on the Mini-research proposal format developed by RMC. Research topics can be from any disciplinary issue and should be submitted within seven days from the announcement. The proposal submitted after the deadline will not be entertained. The amount for per research will be up-to Rs. 10000/ (Ten Thousand only) and the maximum four proposals will be selected under this project.

Note:

- Proposal should be related to practical issues from any discipline.
- The selected researchers should sign the agreement paper with RMC and proceed accordingly.
- The researchers need to write the article based on the final reports of these researches for the fifth volume of RMC journal.
- 50% amount will be disbursed immediately after the acceptance of the proposals.
- The final report should be submitted within the two months from the date of the agreement.
- The rest amount will be released only after the dissemination of their works before the committee and others.
